Subject: Donation to Repair Basketball Backboards

Colchester Youth Basketball has offered to pay for the repairs to the basketball backboards at CES. At this moment two of the backboards can not be operated, they are fixed in place. The cost of the repairs is $5,600. The CYB repairs have been completed within budget funds. Upon the Board's acceptance of the donation the funds will be transferred to CES's Building Repairs Account.

Respectfully,
Mario G Hurtado.
Director of educational Operations
